- Any safety rules or procedures of the premises itself should be adhered to at all times
- Parents/guardians should be informed of the starting and finishing times of training sessions and any other relevant events.

- A first aid kit should be available at all training sessions, events, and any injuries/incidents should be recorded by way of accident report, with a note of action taken in relation to each one. Never make injured students train.

- Parents/Guardians should be notified of injuries/illness which their children incur while participating in any R.I.T.A. Taekwon-Do activity.
